

**CASC Fall Meeting**  
**September 14-16, 2016**  
**Westin Alexandria Hotel**

**Wednesday, September 14**

8:30	Registration Opens	<i>Edison Foyer</i>
8:00 – 9:30	<i>Continental Breakfast</i>	<i>Wright</i>
<b>CASC Regulated Data Working Group (RDWG) Meeting</b>		<i>Edison EFG</i>
9:30 – 9:40	<b>Introduction</b> Roger Bielefeld, RDWG Co-Chair, Case Western Reserve University	
9:40 – 10:10	<b>Center for Trustworthy Scientific Cyberinfrastructure</b> Amy Starzynski Coddens, CACR, Indiana University	
10:10 – 10:30	<b>IRB and Information Security Overview</b> R. Erin Fogarty, Case Western Reserve University	
10:30 – 11:00	<i>Coffee Break</i>	<i>Edison Foyer</i>
11:00 – 11:20	<b>Panel: IRB and Information Security</b> R. Erin Fogarty, Case Western Reserve University Mike Warfe, RDWG Co-Chair, Case Western Reserve University Amy Starzynski Coddens, Indiana University Irene Anne Jillson, Georgetown University	<i>Edison EFG</i>
11:20 – noon	Open Mic and Discussion	
Noon – 1:00	<i>Lunch</i>	<i>Wright</i>
<b>CASC Meeting</b>		<i>Edison EFG</i>
1:00	<b>Welcome</b> Curt Hillegas, Princeton University, CASC Chair	
1:00 – 2:30	CLOSED SESSION - Open to all from CASC Member institutions <b>Panel: National Academies Report: Future Directions for NSF Advanced Computing Infrastructure to Support U.S. Science and Engineering</b> <i>Moderator: Stan Ahalt, RENC1</i> Amy Apon, Clemson University Thomas Hauser, University of Colorado, Boulder Wayne Gilmore, Boston University Ralph Roskies, Pittsburgh Supercomputing Center	

*Agenda continues on reverse • For complete titles and biographical information see Speaker List*

2:30 – 7:30	<b>Networking Event: Washington Nationals vs. New York Mets</b>	
2:30	Introduction: Lisa Arafune, CASC Director	
2:45	Break to prepare for bus ride to event	
<b>3:00 &amp; 3:15</b>	<b>Buses depart Westin</b>	<i>Westin Lobby</i>
<b>4:05</b>	<b>Game time</b> Food and drink will be provided	<i>Nationals Park, Suites 33 &amp; 34</i>
<b>6:30 &amp; 7:30</b>	<b>Buses depart Nationals Park to return to Westin Alexandria</b>	
<b>OPTIONAL</b>	<b>Stay in DC for dinner</b> - this is on your own or with your own group; you will return to Westin Alexandria on your own via Metro or Taxi	

### **Thursday, September 15**

8:00 – 9:30	<i>Continental Breakfast</i>	<i>Wright</i>
9:00 – 10:45	<b>Panel: CASC and Other Organizations</b> <i>Moderators: Guy Almes, Texas A&amp;M; Dane Skow</i> CASC: Rajendra Bose, Columbia University Educause: Curt Hillegas, Princeton University ACI-REF: Tom Cheatham, University of Utah Internet2: John Moore, Internet2 Computing Research Association (CRA): Andy Bernat, CRA	<i>Edison EFG</i>
10:45 – 11:00	<i>Coffee Break</i>	<i>Edison Foyer</i>
11:00 – 11:15	<b>Beyond Hardware Working Group Update</b> Sharon Broude Geva, University of Michigan	<i>Edison EFG</i>
11:15 – 11:30	<b>XSEDE 2016 Student Activities Update</b> Linda Akli, Southeastern Universities Research Association (SURA)	
11:30 – 12:00	<b>JetStream Update</b> Craig Stewart, Indiana University	
Noon – 1:00	<i>Lunch</i>	<i>Wright</i>
1:00 – 2:00	<b>Resources for User Training</b> <i>Moderator: Marisa Brazil, Arizona State University</i> Maneesha Sane, Software Carpentry and Data Carpentry Scott Lathrop, Blue Waters and XSEDE Training Melyssa Fratkin, Texas Advanced Computing Center (TACC)	<i>Edison EFG</i>

*Agenda continues on reverse • For complete titles and biographical information see Speaker List*

2:00 – 3:00	<b>Training Experiences on Campus</b> <i>Moderator: Ben Rogers, University of Iowa</i> Marisa Brazil, Arizona State University Henry Neeman, University of Oklahoma Andrew Sherman, Yale University Preston Smith, Purdue University	
3:00 – 3:30	<i>Coffee Break</i>	<i>Edison Foyer</i>
3:30 – 4:00	<b>National Strategic Computing Initiative Update</b> Tim Polk, Executive Office of the President, Office of Science and Technology Policy	<i>Edison EFG</i>
4:00 – Finish	<b>Open Mic</b> (2-3 minutes, no slides) <b>and Lightning Talks</b> (5-10 minutes, 2-3 slides) <ul style="list-style-type: none"> <li>• Rajendra Bose, Columbia: July 2015 CASC/HPC-SIG Oxford Workshop report</li> <li>• Craig Stewart, Indiana University: Science Node sponsorships</li> <li>• James Cuff, Harvard University: North East Storage Exchange</li> <li>• Dana Brunson, Oklahoma State University: Intrastate Collaboration</li> <li>• Preston Smith, Purdue University: Research Data Depot</li> <li>• Patrick Schmitz, UC Berkeley: Computing in the Broader Context of Research IT at UCB</li> <li>• Robert Henschel, Indiana University (Tentative): XDMoD Value Analytics Update</li> <li>• Ralph Roskies, Pittsburgh Supercomputing Center: Update on PSC's Bridges</li> </ul>	
6:00	Drinks (at Westin Alexandria)	<i>Trademark Restaurant, Lobby Level</i>
6:30 – 8:00	Dinner (at Westin Alexandria)	<i>Trademark Restaurant, Lobby Level</i>

### **Friday, September 16**

8:00 – 9:30	<i>Continental Breakfast</i>	<i>Wright</i>
9:00 – 10:30	<b>Agency Presentations</b> Irene Qualters, National Science Foundation Kevin Thompson, National Science Foundation	<i>Edison EFG</i>
10:45 – 11:00	<i>Coffee Break</i>	<i>Edison Foyer</i>
11:00 – Noon	<b>CASC Business Meeting</b> <i>Curt Hillegas, CASC Chair</i> <ul style="list-style-type: none"> <li>• Spring 2016 Meeting Planning Session Report</li> <li>• Membership: Sharon Broude Geva, Secretary, CASC</li> <li>• Finances: Andrew Sherman, Treasurer, CASC</li> <li>• Nominations: Tom Furlani, Nominations Committee Chair, CASC</li> <li>• Program Committee: Rajendra Bose, Vice-Chair, CASC</li> </ul>	<i>Edison EFG</i>

*Agenda continues on reverse • For complete titles and biographical information see Speaker List*

- Working Groups
  - Regulated Data – Mike Warfe, Case Western Reserve University
  - Beyond Hardware – Sharon Broude Geva, University of Michigan
- Washington Report: Lisa Arafune, Director, CASC
- Supercomputing 2016 CASC Luncheon

Noon

Adjourn: CASC Meeting Ends

## **Save the Date! CASC Spring Meeting – March 22-24, 2017** **\*\*\*The Westin Alexandria\*\*\***

The Westin Alexandria  
400 Courthouse Square  
Alexandria, VA 22314  
(703) 253-8600

- Walking distance to King Street Metro Station and Eisenhower Metro Stations
- Hotel shuttle will take guests to any location within 1.5 miles and both metro stations
- Within two blocks of new NSF building
